My Genealogical Will for Preserving My Family History
Genealogical Codicil to My Last Will and Testament

To my spouse, children and/or heirs, guardian, administrator or executor:

Upon my death, it is my wish that you DO NOT dispose of any or all of my genealogical records, both those prepared personally by me and those prepared by others, which may be in my possession (this includes but is not limited to books, paper and/or computer files, notebooks, correspondence, audio/visual items, photographs, and documents) **for a period of two years**. During this two-year period, please attempt to identify one or more persons who would be willing to take custody of said materials and the responsibility of maintaining and continuing the family histories.

Parties to contact regarding the assumption of the custody of these items include but are not limited to:

Name	Name
Address	Address
Telephone	Telephone

In the event that you find no one to accept these materials, please contact the institution(s) listed below, in order, and determine if they will accept part or all of my genealogical materials.

1. Institution Name	2. Institution Name
Address	Address
Contact Person	Contact Person

Please remember that my family history studies consumed a great deal of time, travel, and money. Therefore, it is my **strong** desire that the product of these efforts be preserved and allowed to continue in a manner that will make them available to others in the future.
